This application was electronically received at the Board of Patent Appeals and Interferences on July 8, 2008. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matters requiring attention prior to docketing.

COMMUNICATION RE: APPELLANT'S BRIEF ON APPEAL

Appellant filed a paper entitled "Communication re: Appellant's Brief on Appeal" dated January 29, 2007 which contained a revised "Summary of Claimed Subject Matter." There is no indication on the record that the Examiner has considered the above "Communication re: Appellant's Brief on Appeal."

EXAMINER'S ANSWER, GROUNDS OF REJECTION

On March 28, 2007, an Appeal Center Return referencing the January 23, 2007 Examiner's Answer was mailed which stated that "[a]n explanation of the grounds of rejection was not submitted in section 9 of the answer. Conferees need to initial." In response, a paper was mailed on April 9, 2008 which included a revised "Grounds of Rejection." However, it is noted that the revised "Grounds of Rejection" contains cancelled claims.¹ It is also noted that the conferees have still not initialed the Examiner's Answer. Correction is required.

CONCLUSION

Accordingly, it is

ORDERED that the application is returned to the Examiner:
